9. **Discussion of Brooklyn Bridge Park Community Advisory Council Resolution dated May 27, 2014 and Recommendation for Next Steps**

Ms. Myer advised the Board of a resolution passed by the Brooklyn Bridge Park Community Advisory Council (“CAC”) at its May 27 meeting which requested a review of the General Project Plan, as well as a letter dated June 3 from State Senator Squadron, Assemblymember Millman and Councilmember Levin requesting that consideration of the CAC resolution be added to the Board’s June agenda. Copies of both documents were distributed to the directors at their seats.

Ms. Myer stated that while there is no basis for additional review of the General Project Plan, BBP would continue to work with the community to address traffic concerns. Specifically, with respect to the concerns noted regarding the traffic near Pier 6, Ms. Myer informed the Board that BBP intended to take the following actions: (i) enforce BBP’s contractual rights with respect to the 360 Furman Street public parking garage, including requiring the parking garage to add necessary signage and be staffed with sufficient employees to ensure the safe and expeditious flow of traffic, and qualified supervisory personnel to oversee its operations; (ii) install paid parking meters at the parking spaces along the Pier 6 loop road; (iii) continue to work with Park Enforcement Patrol on enforcement against double parked vehicles along the Pier 6 loop road; and (iv) engage a traffic consultant to perform a study of the traffic patterns surrounding Pier 6 to understand what other steps could be taken to further alleviate the problem.

After discussion by the Board, and upon motion duly made and seconded, the Board adopted Ms. Myer’s recommendations. Directors Raskin and Levin opposed. Director Wells Handy abstained, indicating that she was not yet ready to vote because she had not seen the June 3 letter until arriving at the meeting and she had not been fully briefed on the matter.

Director Raskin then made a motion to consider the CAC’s request and to conduct and complete a broader review prior to selecting a developer for the Pier 6 development sites, which motion was seconded. A discussion by the Board followed. Chair Glen then agreed to put a discussion of the CAC resolution on the agenda for the August Board meeting. Chair Glen further stated that she could not agree to have a vote without more clarity on what the Board was being asked to vote on and instructed Director Raskin that if he intended to present a particular motion, he should circulate materials to the Board for consideration in advance of the meeting. Director Raskin stated that he would work with the CAC to construct what exactly the Board would be asked to vote on and withdrew his motion.

10. **President’s Report**

Ms. Myer then updated the Board on the Park’s progress, including (i) the opening of Pier 2 and the Pier 4 beach in May, (ii) programming, (iii) concessions, (iv) preparation for the 4th of July fireworks show, (v) construction, and (vi) the Pier 6 development sites RFP process.

11. **Public Comment**

Members of the public spoke, including representatives of the Brooklyn Bridge Park Conservancy, BuildUp NYC, the CAC, the Carroll Gardens Neighborhood Association and One Brooklyn Bridge Park, as well as other local residents.

12. **Adjournment**

There being no further business, Chair Glen requested a motion to adjourn the meeting, and upon the motion being duly made and seconded, the meeting was adjourned at approximately 5:25 PM.
