Lead support of Jeppe Hein: Please Touch the Art, presented as part of the Public Art Fund at Brooklyn Bridge Park Program, is provided by

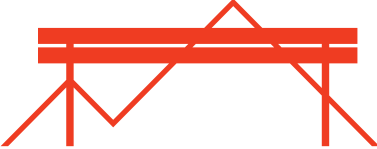

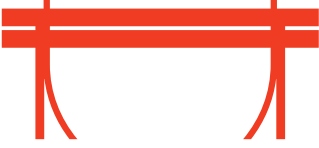

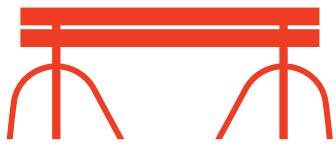

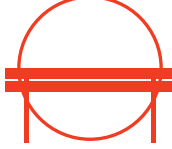

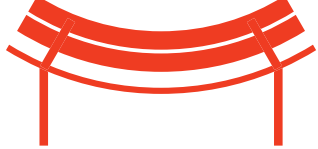

Bloomberg Philanthropies

This program is supported by the Brooklyn Bridge Park Conservancy

Below are 18 squares featuring images of each sculpture in the exhibition. Print this out before you visit the park or pick it up from a Brooklyn Bridge Park Information Kiosk. As you walk through the landscape, check the box next to the title of each work as you discover it. When you've completed the hunt, take a photo of your sheet and Tweet or Instagram @PublicArtFund #PleaseTouchTheArt to receive a special prize, or simply email your photo to [communications@publicartfund.org](mailto:communications@publicartfund.org).

For extra fun, share your photos on social media as you go [we love to see people interacting with the work!]. And remember - Please Touch the Art!
